

OUR JANUARY CLEARANCE SALE

THE YEAR'S GREATEST SHOPPING PERIOD BEGINS AT OUR STORE.

Our always established rule of never carrying over goods from one season to the next means a beautiful harvest of rich bargains in Winter Merchandise for you and yours. The Great Annual Clearance Sale is the big sale at the beginning of each year when bargains are greatest. After stock-taking reveals the true condition of every department. It brings to light the odds and ends, the small lots as well as the excessive lines, which good business judgment says must be cleared out at once, and to do this satisfactorily, the lowest prices possible are made, hence, our January Clearance Sales have become thoroughly established as BANNER BARGAIN EVENTS.

So come with the knowledge that you will find the greatest array of irresistible values you ever saw. We will make your dollars do double duty. The sale will cling to you with a pleasing recollection as the greatest bargain sale you ever attended. Can you conceive of a greater bargain than our fine tailored \$25.00 coat suits for \$12.50; or the \$20.00 kind for \$10.00; or ladies' \$20.00 dresses for \$10.00; or misses' \$9.50 and \$12.50 dresses for \$4.75. And how about ladies' long cloaks values up to \$19 for \$9.50; or long coats values up to \$15.00 for \$4.85? What is a more pleasing bargain feature than furs at half price? Why shouldn't you take advantage of ladies' fine \$2.50 shoes for \$1.25; or the \$2.00 and \$3.50 kind for \$1.00? Then for everyday wear, ladies' plain kangaroo calf shoes, all solid leather, worth \$1.50 for 95¢. Or how would a man's \$15.00 VALUE suit—our price was \$20.00—now would a suit like this be priced for \$12.50 appeal to you? Or men's \$19.00 black beaver overcoats for \$9.50?

You will find startling price reductions on winter merchandise to effect a quick and complete clean-up. Thousands will take advantage of this great money saving sale, why not you? Come and get first choice.

The severe cold weather of the past month, coming so early in the season and lasting so long made it very hard on those who are sick and not able to provide necessary fuel and supplies.

The scarcity of work and high price of provisions has made it impossible for some women with small children to pay rent, and provide the necessities of life, to keep from suffering. The Society having but little money as will be seen by the above report, was forced to deal in out very sparingly, having to go to the relief of ten needy families with fuel, provision and medicines, who would have suffered badly if they had not got assistance, most of whom are still obliged to have help during the winter. The secretary after the month's work finds himself a little in debt and if he gets no money from any other source than the members of the association, it will leave him unable to give more assistance for the present. Respectfully,
R. H. LONG, Secretary.

Give Your Boy a New Year Present.

of a savings account of his own, then teach him how to build a "BANK CREDIT" for future use.

The amount of the account at the start is of minor importance. Placing him in the way of learning practical business methods, the value of thrift, economy and the accumulation of small sums, is what counts.

A growing bank account is recognized by business men as a recommendation—they realize the fact that it makes for sobriety, conservatism and a better, broader citizenship.

Start YOUR boy right—come in NOW and open an account for him give him the bank book as a New Year's present. See our 4 per cent saving ad in this paper, in which we give away \$200.00.

Signs of the Times—Past, Present and Future.

It has been said that the future could be partially told by past and present. In the past people of Greenville and Hunt county traded for furniture most anywhere, until nearly a year ago. At the present, they are trading where they find prices and quality combined to meet their needs. In the future they will continue to do this. Quite a number have been trading here. Will you not join the wide-awake number of buyers?
